

Latex Examination Gloves

Best way to protect yourself —
THE EASY WAY.

IF 62 | Powder - Free Micro Textured Examination Grade Latex Gloves

Latex examination gloves provide a high level of protection when working directly with bodily fluids in a laboratory setting, and provide greater resistance to blood borne pathogens as well.

Latex examination gloves are designed to provide maximum flexibility and comfort. They are not restrictive or constricting, even when worn for long durations.

CE ISO 9001:2008
