

TECHNICAL DATA SHEET

NON-WOVEN HOOD (Astronaut cap)

When a disposable cap won't suffice, choose our Economy Hood instead. Our hood is made from comfortable and soft spunbonded polypropylene (SPP) material which is commonly used in clean & hygiene rules, food industry etc, to protect against non-hazardous dust particles and dirt in the work area, offers protection for whole head, reducing risk of hair contamination. To provide a secure and universal fit, elastic bands are integrated all around the eye and neck regions. These also aid in the quick donning and removal of the hood.
